

# ART in the Country! Workshops by Deb Ward

## March – WATERCOLOR BATIK

Create a truly unique artwork utilizing hot wax batik (wax and waxing tools supplied at no additional expense).

## April – IT'S NOT RAINING – IT'S POURING! (WATERCOLOR)

Experience the freedom of pouring paint and achieve results impossible with brush painting.

## May – WATERCOLOR "BOOT CAMP" FOR BEGINNERS (REFRESHER COURSE FOR SEASONED PAINTERS)

This 2 day intensive course in the basics will jump start the beginner and help veteran painters learn how to achieve better results. (Even if you have been painting for years, you may be surprised at the amount of basic information you may never have been exposed to!)

**Each Saturday** Deb will present demonstrations utilizing either fluid acrylics or watercolor (as specified) in the technique listed and students will follow along.

**Each Sunday** bring your own photo or drawing to work from and incorporate the techniques learned on Saturday to create your own paintings with Deb's help and supervision.

**LOCATION** – St. Leon in beautiful Southeastern Indiana - an easy drive from Cincinnati, Northern KY and, of course, Indiana! Just minutes from I-74. Come and experience "Hoosier Hospitality"! Enjoy the gorgeous view of our lake!

### Bring a sack Lunch

I will provide coffee, iced tea and maybe "a sweet" snack!
